

Orlando Area NeighborhoodLIFT Program Eligible Geography Lookup Instructions

Lake County Navigate to the Lake County Property Appraiser’s Property Records Search web page via the following link: <https://www.lakecopropappr.com/property-search.aspx?>

Enter the property address in the ‘Address and/or Street Name:’ field near the top of the form. Click the gray search button.

If the property is found in the Lake County Property Appraiser’s database, the web page refreshes with one or more property summary records that include Owner, Parcel Number and Alternate Key information. Click on the ‘view’ link to the left or the Alternate Key link to view additional property details including dimensions, taxation and valuation data among other property characteristics. The property **IS** eligible for NeighborhoodLIFT financing.

If more than one property appears under the search results scroll down the ‘Owner’s Name’ column to find the correct record. Click on the ‘view’ link to the left or the Alternate Key link to view it.

If the property address is not found in the Lake County Property Appraiser’s database, the web page refreshes without any list of records, and the display message: “There are no results found that meet your criteria.” The property is **NOT** eligible for NeighborhoodLIFT financing.

Eligible Geography Lookup Instructions

Orange County Navigate to the Orange County Property Appraiser's property search web page via the following link: <http://www.ocpafl.org/searches/parcelsearch.aspx>

Enter the property address on the 'Searches' tab in the 'Property Address' field at the top of the page. Click the round gray magnifying glass button to the right or select the property from the dropdown list if shown.

If the property is found in the Orange County Property Appraiser's database, the 'Results' tab opens the 'Property Record Card' tab with property details including owner, address, parcel, sales, photos and other property characteristics. The property **IS** eligible for NeighborhoodLIFT financing.

If more than one property appears under the search results scroll down the 'Property Address' column to find the correct record. Click anywhere in the record to open it.

If the property address is not found in the Orange County Property Appraiser's database, the 'Results' tab refreshes without any list of records, and the display message: "Your search did not return any results. Please try another query." The property is **NOT** eligible for NeighborhoodLIFT financing.

Osceola County Navigate to the Osceola County Property Appraiser's Basic Property Search web page via the following link: <http://ira.property-appraiser.org/PropertySearch/>

Enter the property address in the 'Address:' field near the middle of the form. Click the gray 'Search Cama Records' button or select the property from the dropdown list if shown.

If the property is found in the Osceola County Property Appraiser's database, the Search Results web page opens with the property summary record that includes Owner Name, Parcel Number and Property Address information. Click anywhere in the record to view additional property details including dimensions, taxation and valuation data among other property characteristics. The property **IS** eligible for NeighborhoodLIFT financing.

If more than one property appears under the search results scroll down the 'Property Address' column to find the correct record. Click anywhere in the record to open it.

If the property address is not found in the Osceola County Property Appraiser's database, the Search Results web page opens without any list of records, and the display message: "The search did not return any results, please refine your search." The property is **NOT** eligible for NeighborhoodLIFT financing.
